

# Scientific approach to coastal engineering problems

## Rain Männikus, PhD

- Chartered civil engineer (EQF 8)
- Consultant in Lainemudel Ltd (<https://lainemudel.ee/>)
- Senior scientist in Laboratory of Wave Eng. TalTech
- Prev: Estkonsult, Saarte Liinid

## Services

- **Coastal and structural design** (ports, coastal protection, breakwaters and masterplanning in the Baltics)
- **Expertise** on coastal processes (EIA, nuclear plant)
- **Measurements. Sediment and wave modelling** (inputs of coastal design in the Baltics and Caspian Sea)
- Water level and wind **data analysis** (offshore wind parks)
